Gaeil Colmcille is following the guidance received from the GAA with regard to return to play. This guidance provides for additional responsibilities placed on all GAA clubs due to COVID 19. To assist with these responsibilities we require further help to ensure all our activities are conducted in line with GAA guidance. It is important that we get your help to ensure the above activities are conducted in as safe a manner as possible following the GAA guidelines.

We would appreciate if you would contact the number below if you are willing to assist. Full training will be provided together with a mentoring system.

You are requested to complete the GAA COVID 19 Health Questionnaire prior to your your children(s) attendance, at the above activities. This questionnaire can be found by logging onto <https://returntoplay.gaa.ie> . If you complete the questionnaire online Gaeil Colmcille will not have access to the health information you provide. The club will receive confirmation only that you have completed the questionnaire. (please see attached guidance document)

Safe Return to Gaelic Games

Guidelines for Parents & Guardians For Club Activity

Safe Return to Gaelic Games

Guidelines for Parents & Guardians

Pre- Training

All Parents/Guardians are required to ensure that they and are fully aware of the Guidelines on the Safe Return to Gaelic Games document <https://learning.gaa.ie/covid19>.

Parents/Guardians must share this information, in an age appropriate manner, with their child including awareness as to the signs and symptoms of COVID-19 and of social/physical distancing guidance. <https://www2.hse.ie/conditions/coronavirus/symptoms.html>

A parent/guardian or a child displaying any of the Covid 19 symptoms must not attend for training or other Gaelic Games activities

Parent/Guardian should:

- Complete the Covid 19 GAA Education Module <https://learning.gaa.ie/covid19>
- Complete the health questionnaire (Safe Return for Gaelic Games) in advance of the first return to the club and provide it to the Team Covid Supervisor
- Seek medical advice if their child has underlying health conditions before returning to club activity
- Ensure that the Team Covid Supervisor is made aware of any medical condition that their child may have including any medication the child may be required to take during the day or any changes in their child's medical condition from what is recorded in the initial health questionnaire completed by the parent/guardian
- Ensure if any relevant information contained in the health questionnaire, including the parent's contact details, change from day to day
- Continue to monitor their child's temperature before each training session
- Inform the Team Covid Supervisor of any change of their child's temperature or health
- Ensure their child has washed their hands prior to arriving to club activity.
- Ensure their child arrives togged and ready for activity. Dressing rooms will not be available for this purpose
- Ensure child has appropriate clothing i.e. mouthguard, hurley, helmet, rain jacket, sun cream

- Ensure their child has their own water bottle, marked with the child's name
- If deemed appropriate provide their child with their own hand sanitiser (at least 60% alcohol) labelled
- Travel with child/children where possible to training/games – only one parent/guardian, not directly involved in the training session, is permitted to attend or observe training and must abide by the directives contained in the Guidelines on the Safe Return to Gaelic Games document at all times

During Club

No person or child should attend a club activity if they are unwell or members of their household are showing symptoms consistent with Covid-19.

Parent/Guardian should:

- Provide the Team Covid Supervisor with their child Health Questionnaire on the first day of return to play
- Parents should adhere to the social distancing guidelines when approaching registration areas
- When collecting their child avoid any physical contact with coaches, other parents and other children

Parent/Guardian should inform their child that they:

- Must refrain from shaking hands, high fives and spitting
- Must wash their hands and use hand sanitiser prior to and post going to the toilet
- Cannot access to dressing rooms, hall etc. is prohibited
- Must use their own water bottle, labelled with the child's name

Post Training

- Players must leave immediately after training with members from their own house only
- Players must shower at home
- Players should wash their hands
- Parents should collect their child from the collection area as advised by the Club.
- Parents should ensure that all gear and equipment is collected and taken home and appropriately cleaned prior to the next club activity session

How to manage a child, with COVID-19 symptoms

- If at any time during a club activity or camp your child displays sign or symptoms of Covid 19, as the parent/guardian the Team Covid Supervisor or Camp Coordinator will phone you.
- The Team Covid Supervisor/Camp Coordinator will along with one other adult accompany your child to the medical room, while adhering to the social/physical distancing guidelines
- The parent/guardian will transport the child home and should consult with their GP by phone of their child's symptoms
- All persons who have been in close contact with the suspect case will need to be informed to restrict their movement for 14 days or until further information is available (i.e. a negative test result of the suspect case)

COVER YOUR COUGH AND SNEEZE

STOP THE SPREAD OF GERMS THAT MAKE PEOPLE SICK

When you cough or sneeze **cover your nose and mouth** with a tissue

OR Cough or sneeze into your elbow, not your hands.

Throw away your tissue!

Clean your hands after coughing or sneezing.

THANKS!
